# HEIDELBERG SEVENS 2019

29./30. June 2019

INTERNATIONAL SEVENS RUGBY  
JUNIORS U16 & GIRLS U18

## HEIDELBERG SEVENS - INTRODUCTION

It all started in 1995 when the first Heidelberg Sevens for ten men's teams was held on pitch of the Heidelberger Ruderklub. Highlights in the history of the tournament were the qualification for the third Rugby World Cup in sevens rugby 2001 in Argentina on the occasion of the 100th anniversary of the German Rugby Association (DRV) at Whitsun 2000. This tournament was won by Wales, ahead of Georgia, Ireland, Denmark and Germany. It was followed by the final tournament of the 1st European Championship for sevens rugby in 2002 and the European Championship tournaments in 2003, 2007 and 2011, in Portugal and Germany scored memorable victories.

In the meantime, Heidelberg Sevens has become one of the largest international youth tournament for sevens rugby. In past tournaments, we have welcomed teams from Belgium, Canada, Czech Republic, England, France, Israel, Italy, Latvia, Monaco, Netherlands, Portugal, Romania, Scotland, Switzerland and of course German regional teams. In 2019, we are keen to welcome again many international teams, in both male and female categories.

Our tournament has maintained a continuous level of sporting excellence over the years. We pride ourselves on the fact that as well as being a model of sporting excellence, the tournament is an opportunity for 240 youngsters from a diverse range of cultural, ethnic and socio-economic backgrounds to come together off the field, mix with one another, and enjoy the unique experience of a weekend in Heidelberg.

Last but not least, we would like to emphasize that our tournament is a non-profit making endeavour, and that the entry fee for a delegation covers only a part of the real cost, the rest being covered by our partners.

**You'll find tournament details on the next 2 pages. If you would like to enter a team, please send us your 10 key details (see last page) by email as soon as possible. Obviously both tournament format and accommodation capacity oblige us to restrict the number of teams invited, so the quicker you express your interest, the greater chance you have of taking part! We will be contacting you again with our online entry form.**
